Twist Modular Seats, Tables and Planters

The Twist can be manufactured in all BS/RAL colours and is lightweight in design making it easy to manoeuvre.

The Twist comes as a single seat and high table, which is ideal for the user to take a seat and work on their laptop or tablet.

Also in matching planters these stylish additions to the collection are perfect for exhibitions, shows and conferences.

Twist is a modernistic range of seating, tables and planters which are functional yet striking in their simplicity and design.

Trade discounts available.

SGF120 A SEat

SGF106 D Tall Planter

Twist is an incredibly practical design, evolved from our popular cube range.

Matching stylish Twist planters for exhibitions, shows and conferences.

Twist seat - SGF120 A - sizes in mm's

Principal Material:
Composite moulded.

Dimensions:
569 x 569 x 450mm high.

Colour:
Any BS/RAL colour.

Each seat can be supplied:

1. Weighted with a rubber anti-slide base.
Approx. 40 kgs.
2. Un-weighted with rubber anti-slide base.
Approx. 12 kgs.
3. Fitted with anchor bolts for permanent fixing. Approx. 10 kgs.

Supply options:

1. **Weighted:** Modules supplied weighted to prevent people from easily moving installations to another area. Weighted modules are ideal if you would like the flexibility to move seating at a later date and the security that they will be safe.
2. **Un-weighted:** This supply option offers the utmost in flexibility and is ideal for domestic use or in areas where you want to move seats quickly and easily, such as events/exhibition spaces.
3. **Fitted with anchor bolts:** Modules are complete with anchor bolts for permanent fixing - ideal for public open spaces or where security may be an issue.
