## The GeoMet Range

GeoMet is a stunning collection of geometrically-shaped modular furniture pieces ideal for urban environs, recreational spaces and large-scale commercial interiors.

The range has been designed for mix and match use or pieces can be used standalone.

Each piece in the GeoMet collection is handmade by highly skilled craftspeople based in the UK. The entire range is composite moulded which is the perfect outdoor furniture material as it's weatherproof, lasts a lifetime and requires minimum maintenance.

At Sui Generis we can create pieces in any colour, shape or size.
