

## Morph Modular Seating

*We've added large curves to our popular bench seating: Morph - a bold modern, funky design with a friendly shape and your choice of colour.*

*Ultra contemporary in design, Morph creates the ultimate structure to show off any exterior or interior features, whilst also providing a comfortable seat.*

*Sui Generis is the leading composite mouldings company that creates standard and bespoke designs.*

Morph solo benches modular group arrangements, also available in mid and end bench options.

## Morph Modular Seating

Simple lines & colour add beauty and value to exteriors or interior gyms, sports venues, schools & colleges, meeting areas, waiting rooms, shelters, showrooms, exhibitions, foyers and lobbies.

Morph bench solo is perfect as a standalone seat, or modular group arrangements. We've also added an end bench and a mid bench for great flexibility in space planning.

Ultra contemporary in design, Morph creates the ultimate structure to show off any exterior or interior features, whilst also providing a comfortable seat.

Our modular designs are composite moulded and create striking landscape features. Each seat can be made in any BS/RAL colour to match any colour scheme or corporate interior. Morph is easy to install as it's lightweight and modular in construction.

Installation service available.

Trade discounts available.

## Morph solo bench - all sizes in mm's

Morph solo benches, with matching Rondo seat / table.

Morph solo benches, with matching Quattro seat / table.

**Principal Material:**  
Composite moulded.

**Dimensions:**  
600 x 1500 x 450mm high.

**Each seat can be supplied:**

1. Weighted with a rubber anti-slide base. Approx. 45 kgs.
2. Un-weighted with rubber anti-slide base. Approx. 22 kgs.
3. Fitted with anchor bolts for permanent fixing. Approx. 18 kgs.

**Supply options:**

1. **Weighted:** Modules supplied weighted to prevent people from easily moving installations to another area. Weighted modules are ideal if you would like the flexibility to move seating at a later date and the security that they will be safe.
2. **Un-weighted:** This supply option offers the utmost in flexibility and is ideal for domestic use or in areas where you want to move seats quickly and easily, such as events/exhibition spaces.
3. **Fitted with anchor bolts:** Modules are complete with anchor bolts for permanent fixing - ideal for public open spaces or where security may be an issue.

## Morph mid bench - all sizes in mm's

**Principal Material:**  
Composite moulded.

**Dimensions:**  
600 x 1200 x 450mm high.
